

## LESLIE D. ICENOGLE

An Implant Coordinator for over 25 years as well as Practice Manager for 17 years in the Oral & Maxillofacial Surgery field, Leslie comes to us from Indiana where she started her career in dentistry in 1985. During her oral surgery years, she was also a Program Advisor for CareCredit for ten years and worked for an imaging center scanning patients and offering training for general dentists in CT guided implant surgery.

Leslie is a member of The Association of Dental Implant Auxiliaries, The National Speakers Association, and The American Association of Oral & Maxillofacial Surgeons. Leslie enjoys being able to improve patient's lives with implant dentistry, as well as improving the lives of dental auxiliaries with standard operating procedures.
